IMCM INTERNATIONAL MOTORCYCLE CONFERENCE MILAN

Museo Nazionale Scienza e Tecnologia Leonardo da Vinci

Milan, 2nd November 2026

Engineering the fascination of motorcycling in a changing world

On Monday 2nd November 2026, the day before EICMA 2026 opens, the **IMCM – International Motorcycle Conference Milan** will take place at the „Museo Nazionale Scienza e Tecnologia Leonardo da Vinci“ and will bring together global motorcycle industry experts. The conference is looking back on more than ten years of a successful track record as the Ricardo Motorcycle Conference and will continue to pick up on a number of topics relating to the current trends and needs of the motorcycle world. The one – day programme will offer a scope of world class lectures and key notes and will also offer sufficient time for networking during the conference day and the evening event. An exhibition complements the latest state of the art technology in this sector.
The IMCM will be organized by the Austrian Society of Automotive Engineers, OEVK, well known as the organizer of the renowned International Vienna Motor Symposium.
